Dear Lucia,

I am very well
getting over my fatigue and
hope soon to pick my flesh a
little. We have not heard from
S. to day. Henry goes to morrow.
Aunt Mary may tell you all
the news. As Henry goes to morrow,
after to night Warren can come
here & stay for near a week.
I send all Warren clothes
and Henry's cap. Cordelia
has no dirty things. Mrs
Isaac Winlow is not expected
to get well at all. She never
was so ill before. Henrietta

Sargent is also quite poorly.
You may depend upon me to
send out any unfavorable
accounts from Boston as soon as
once, so if you do not hear you
may go on the ground that
no news is good news.

I saw Sophia off to day.
She felt somewhat disengaged
I think. Tell her that I see
to Warren all I can. I do my
best, but I cannot influence
him much. Write when you
have a chance. yrs A.W.

Miss Lucia Weston.
